

LEBANON TAKE FLIGHT MENTORS:

ON FRIDAY, MAY 31, SEE A STUDENT-BUILT RV-12iS!

PLEASE JOIN US! On **Friday, May 31**, Lebanon 'Take Flight' mentors are invited to visit Manchester to see a student-built RV-12iS, and also tour the Manchester plane-building workshop. Plus enjoy lunch at the Aviation Museum on us! It's a great chance to familiarize yourself with the aircraft you'll help students build, and also see how the Manchester workshop is laid out, how inventory is handled, and so much more that will be useful.

SCHEDULE FOR FRIDAY, MAY 31
